

# SNOWSHOE NATURE WALK

*Join us for a family-friendly Snowshoe Nature Walk on a section of the Sebago to the Sea Trail. This program will be a fun introduction to snowshoeing and a great chance to see the Presumpscot River and Sebago to the Sea Trail in the winter. Snowshoes are available for participants who don't already have them and are strongly recommended for all kids and adults who attend. The program will be led by WinterKids volunteers and is appropriate for all ages.*

**Saturday, February 10th**

**10 am – noon**

Hosted by the Presumpscot Regional Land Trust and WinterKids

*Full sign-in information necessary to attend the event for everyone 18+. As a community based non-profit organization we will never sell your information.*
