You can purchase the full day package that includes lunch at our cafeteria or pick just one of the sports. The clinic is a perfect way to get a little extra instruction before the AAU/Club season begins. Under the direction of **Men's Basketball Head Coach Rob Sanicola, Men's Soccer Coach Adrian Dubois and Women's Coach Jenelle Harris**, the St. Joe's staff and players, the day will set a positive and informative tone for the season to come.

**Soccer Campers** will play small-sided games & a player centered training approach will be the foundation of the development process. Fun and Development are the focus.

**Basketball Campers** will learn the opportunity for participants of any skill level to learn and practice the fundamentals of basketball (court awareness, dribbling, passing, rebounding, defense, footwork, and shooting techniques).

**ENROLLMENT IS LIMITED AND MAY SELL OUT IN ADVANCE.**
